3. Product Description

BASIC USE

Citrus Clean™ is a super concentrate powder cleaner, designed to clean and degrease concrete, metal, equipment and any hard surface. Dilute 1 lb. to 40 gallons water in pressure washer; 2-3 cups per 5 gal water.

PRIMARY USE

Citrus Clean™ is a high solids, biodegradable organic cleaner that instantly dissolves greasy, oily soils.

OTHER USES

Can be used as general cleaner when further diluted from industrial strength

CHARACTERISTICS

Citrus Clean™ is a yellow powder concentrate with an odor like oranges.

ADVANTAGES

Citrus Clean™ is non-toxic, non-corrosive.

COMPOSITION & MATERIALS

Table with 3 columns: PROPERTY, TEST, TYPICAL VALUE. Rows include VOC, % Chlorinated Solvents, % Petroleum Distillates, Flammability, and Solubility.

4. Installation

APPLICATION

Can be used on any water safe surface where a heavy duty Natural Cleaner Degreaser is needed – metal and membrane roofs. Can be applied by hand, spray, brush or pressure washer. Allow to penetrate surface then rinse away soil.

5. Availability & Cost

AVAILABILITY

Garnite® Products are available through an international network of representatives, distributors and dealers. Contact RMI, Inc. for the name of the nearest supplier.

COST

Garnite® Roofing Products are competitively priced. Because Garnite® Systems are less labor intensive than most conventional roofing systems, labor costs may be significantly lower.

6. Warranty

RMI, Inc will refund the price or replace, at its election, product it finds to be defective provided the product has been used properly. Except as expressly stated above, RMI makes no warranty of merchantability and no warranty of fitness for any particular purpose, nor does it make any warranty, expressed or implied, of any nature whatsoever with respect to the product or its use.

7. Technical Services

Technical assistance including more detailed information, product literature, test results, project lists, assistance in preparing specifications and application supervision are available by contacting RMI, Inc. or the nearest RMI representative.
